Pole Line Hardware F-Z >> Pins

Crossarm

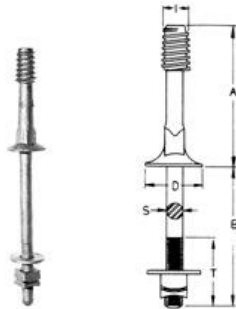

[Print This Page](#) | 
 [Print PDF Catalog Page\(s\)](#)

**Features:**

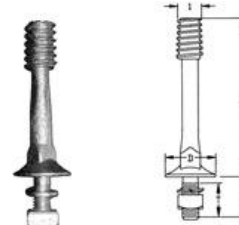

- Crossarm Pins are forged in one piece from alloy steel
- Large bases distribute loads without crushing flat wood crossarms.
- A square wrenching shoulder is provided above the base for rotating the insulator groove into position.
- Long shank pins come complete with a square washer, square nut and concave locknut.
- Short shank pins for steel crossarms are furnished with a square nut and split coil lockwasher.

**Material:**

- Pins have a 1" ANSI standard nylon alloy or cast lead threads for pin type insulators.
- Pins with a "Z" suffix in the catalog number are furnished with insulator threads produced from an advanced nylon alloy compound.
- Body: Hot Dip Galvanized
